**Amendment No. 1**

Dear Sir/Ms.:

Please make the following changes to the Bid Documents:

In the Bid Book:

**CHANGE** on page 14, NOTICE TO CONTRACTORS, in the first paragraph, the sentence which begins "The lowest responsive bidder..." to read "The apparent low bidder must demonstrate successful completion of similar type projects.". Make this change in pen and ink.

The following questions have been received:

**Question:** Are all rumble strips to be installed centerline sinusoidal rumble strips (there is some conflicting info calling out both centerline and edgeline)?

**Response:** All rumble strips are centerline sinusoidal rumble strips. There are no edgeline rumble strips in this Contract.

**Question:** Are SEWPCP plans required for this project?

**Response:** Yes, see page 135 of the Contract Bid Book.

Consider these changes and information prior to submitting your bid on **July 24, 2019**.

Sincerely,

George M. A. Macdougall P.E.
